***'Diamond Fields'* Wins Coveted Royal Dragonfly Book Award**

CHANDLER, AZ (November, 2013) – The judges of the **Royal Dragonfly Book Awards** contest, which recognizes excellence in literature, have spoken, and *Diamond Fields* by **Randall Reneau**, won **1st place** and was **Grand Prize** winner in the Fiction category.

“Winning any place in the Royal Dragonfly Contest is a huge honor because in order to maintain the integrity of the Dragonfly Book Awards, a minimum score is required before a First or Second place or Honorable Mention will be awarded to the entrant – even if it is the sole entry in a category,” explains Linda Radke, president of Five Star Publications, the sponsor of the Dragonfly Book Awards. “Competition is steep, too, because there is no publication date limit as long as the book is still in print.”

Diamond Fields is a diamond mining adventure/thriller set in steamy equatorial West Africa. It retails for \$11.95 and can be purchased at Amazon.com, Barnes & Nobles, and BookPeople.com.
